Paso Robles, 10% Monterey County

CASES PRODUCED

17,000 Cases

CHEMISTRY

Alcohol 13.4%
pH: 3.75
TA: 6.6 grams / liter

PROSE

Signature aromas of blueberries from a fabulous Santa Barbara vineyard with a touch of raspberry fruit leather. Rich flavors of ripe, juicy boysenberry with nuances of vanilla and a bit of a spicy savory. Full of fruit with just a touch of oak to round out the middle and finish.

2006

CENTRAL COAST

Non-conformists drink Shiraz. Anyone can drink a Cabernet. Don't get us started on Merlot.

Rock Rabbit Shiraz drinkers are a different crowd. We like them. They get it...life.

We don't ask you merely to take a Leap of Taste. We suggest you take a Leap at Life. Give it your best shot. Go for it. Why be ordinary when you can be extraordinary.

Shiraz
with a
screwcap.
You'll
never
miss the
cork!

"Where will you take this wine if you don't need a corkscrew?"

Alex Cose,
Winemaker
