No barrels. No corks. No hassles.

Twist open a bottle of Rock Rabbit Sauvignon Blanc. It's that simple. Pour the wine into your favorite wine glass, tumbler or paper cup. Just one sip and you'll be hooked.

CASES PRODUCED

20,000 Cases

Sense the natural affinity California's Central Coast wines have with the Pacific Ocean. For local favorites we'd recommend grilled swordfish, broiled Pacific halibut, or perhaps a Caesar salad complete with sardines.

CHEMISTRY

Alcohol: 13.5%
pH: 3.46
TA: 5.8 grams / liter

Or there is always a winery favorite... merely in a glass to be thoroughly enjoyed in every respect.

"Wine to start a conversation."
